**The Most Trusted Property Developer in Australia.**

In a year marked by uncertainty, trust has emerged as a key priority for many, and AVJennings has once again proven itself a leader in the property development sector. The company was recently awarded the title of Most Trusted Brand in property development at the 2021 Reader's Digest Awards.

This recognition, based on feedback from more than 3,000 survey participants, highlights AVJennings' consistent delivery on its promises to provide quality, affordable land, homes, and apartments across Australia and New Zealand. This is the third consecutive year that AVJennings has been recognized in this category, underscoring the company's strong reputation for reliability.

"This is a tremendous honour for AVJennings," a spokesperson said. "It reflects the dedication of our staff, who take great pride in helping people achieve their dream of homeownership."

AVJennings expressed its gratitude to Reader's Digest and those who voted in the survey, noting that customer comments serve as a reminder of the importance of trust in building long-term relationships. After 90 years in business, AVJennings continues to prioritize dependability and exceptional service, which remain cornerstones of its success.
